Gerry Coughlin, Sherry S Kimbrough, Landon L Kimbrough : Patient Records and Addiction Treatment, Fourth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Patient Records and Addiction Treatment, Fourth Edition:

0 of 0 people found the following review helpful. While being required reading...By NirvananowThis book is still a great place to start as we look to the future in handing case management for our consumers.0 of 0 people found the following review helpful. GreatBy Angela W.Very helpful, very clear. It was a class requirement however, it's a smart read in the CDP field for all professionals.0 of 0 people found the following review helpful. GOODBy Queen HelenGOOD

Since the first edition of this book in 1996, the addiction treatment field continues to undergo changes that affect the usefulness of this book. In an effort to include information that assists students and practitioners to use best practices, we have added a substantial amount of information and included additional resources for further investigation. Our

format integrates current information and research, principles of sound clinical practice and practical experience. Our intention is to outline the procedures and rationale of case management and clinical documentation to give readers some background as well as information regarding current practice.
