Sesser, Ron Maly : Pearson's Comprehensive Medical Assisting Plus MyHealthProfessionsLab with Pearson etext--Access Card Package (3rd Edition) (MyHealthProfessionsLab Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pearson's Comprehensive Medical Assisting Plus MyHealthProfessionsLab with Pearson etext--Access Card Package (3rd Edition) (MyHealthProfessionsLab Series):

3 of 3 people found the following review helpful. Great for MA certification exam prep! By Babble65 My school provides us the e-book for this textbook. Since I'll be using it throughout my entire MA program, I decided to order the

hard copy. Fast deliver, great condition for a used book. I have had no problem comprehending the text. It is sorted out nicely, and addresses all the areas that will be on the national certification exam. I would love it were spiral-bound because it is THICK, but I think it is a great textbook for students who are wanting to be become CMAs.0 of 0 people found the following review helpful. My Daughter loves thisBy Robert BollingBetter than imagined I would buy from this seller again. My daughter is enrolled in a nursing assisting program and compared this to the tablet addition and said this is by far superior to use.0 of 0 people found the following review helpful. Five StarsBy crystalThis book helped me pass my medical assistant exam..

Pearson's Comprehensive Medical Assisting, Third Edition, provides students with the right procedural, people, and professional skills needed to succeed in the medical assisting profession. Teaching and Learning Experience Offers a step-by-step, competency-based approach that covers virtually all facets of the medical assisting profession: Procedural Skills—Speaks directly to the medical assisting student, presenting all the procedures and tasks that are relevant to the medical assistant role. People Skills—Covers people and communication skills that are essential to being a successful medical assistant. Professional Skills—Instills concepts and critical thinking skills needed to succeed as a medical assistant professional.
