**From Brand: LWW : Pediatric Physical Therapy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pediatric Physical Therapy:

1 of 1 people found the following review helpful. the bestBy MartaIt is the best pt book I've ever had. It cointains all of the most important childrens disorders which are described very precisely. You can read not only about physical therapys aspects but also about orthotic. I recommend this book for every physical therapist who consider working with chiidren.0 of 0 people found the following review helpful.
