convenient1 of 1 people found the following review helpful. Peds NotesBy Stephanie ReganThis pocket guide was helpful but not as extensive as I had hoped. It will be good for in a clinic or working with children in the school setting/home if necessary.0 of 0 people found the following review helpful. UsefulBy TatterlingI suppose it is useful, but I haven't really used it. Our professor said it is good to pass the NBCOT exam. (Occupational Therapy)

This compact, pocket-sized reference presents the practical evidenced- based guidance needed to assess, diagnose, treat or refer pediatric patients effectively in any care setting.Bulleted lists, charts, tables, and illustrations, on write-on/wipe-off, reusable pages put need-to-know clinically relevant information at your finger tips.
