Pestilence, Politics, and Pizazz: The Story of Public Health in Las Vegas (Golden Age of Medicine in Nevada):

The Clark County Health District was established in 1964 to protect and promote the health, environment, and well-being of Clark County residents and visitors. Its chief health officer, Dr. Otto Ravenholt, faced many challenges during his thirty-five years in office. *Pestilence, Politics, and Pizazz* takes an in-depth look at Las Vegas's controversial lifestyles and how they have threatened public health.
