Debra B. Feinberg RPh : Pharmacy Law: Textbook Review before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pharmacy Law: Textbook Review:

A concise review of pharmacy law -- ideal for coursework and MPJE exam prep! This accessible, real-world guide gets you ready for the practice of pharmacy, while giving you the proper training to be compliant with the law. To that end, the book expertly covers relevant laws, rules, and regulations, and it highlights the distinctions between state and federal law where appropriate. In no other reference can you find such a succinct, yet thorough, review of the full range of federal pharmacy laws, including the Controlled Substances Act; the Food, Drug, and Cosmetics Act; the new Dietary Supplement Health Education Act; the FDA Modernization Act; and the Medicare Modernization Act.
