Kay Mohanna, Ruth Chambers : Philosophy for Medicine: Applications in a Clinical Context before purchasing it in order to gage whether or not it would be worth my time, and all praised Philosophy for Medicine: Applications in a Clinical Context:

This revised and updated edition addresses changes within the NHS and European legislation that impact on teaching and learning in healthcare. It draws on working practice and theoretical knowledge in the changing healthcare environment and should be of interest to doctors, nurses, training and development managers working within primary

and secondary care.
