American Book Works, Cynthia M. Reed : Phlebotomist Test Preparation before purchasing it in order to gage whether or not it would be worth my time, and all praised Phlebotomist Test Preparation:

0 of 0 people found the following review helpful. Lame Book - Waste of Money!!By Sandra L. CampbellWhat a rip off. A 1st grader would be upset with this lazy, primer. Don't waste your cash. Anyone who has ever had a basic medical term, AP or hematology class could have written this. Did not learn anything to help with test. I bought it based on earlier good reviews. The author's relatives must have written them.Kathryn A. Kalanick "Phlebotomy Technician Specialist: Certification Exam Review" (also on) includes an excellent CD with study and test questions based on ASCP, AMT and NCA topics. The book is very good. Detailed review sections, with illustrations tests. Made a high score with this book. (I'm not related to anyone connected with this book!)Phlebotomy Technician Specialist: Certification Exam Review (Phlebotomy Technician Specialist Certification Exam Review)0 of 0 people found the

following review helpful. Five StarsBy Embroidery49Great study guide14 of 18 people found the following review helpful. A well researched and presented aid to the practitioner.By saabbe@aol.comThis is a well researched and written aid for the student or practitioner who wishes to revue prior to taking a phlebotomist certification exam.

Book by American Book Works, Cynthia M. Reed
