Ruth E. McCall : Phlebotomy Exam Review before purchasing it in order to gage whether or not it would be worth my time, and all praised Phlebotomy Exam Review:

0 of 0 people found the following review helpful. Five StarsBy Diana Gibbsooooo much info

his comprehensive exam review for the major national certification exams in phlebotomy includes 800 multiple choice questions. The content for every important exam -- including ASCP, NCA, ASPT, NPA and AMT -- is discussed in depth. An introductory chapter on test-taking skills helps to maximize the test experience. Detailed description of those organizations offering exams plus a wealth of sample questions assists the reader in honing well-rounded study skills. Charts and illustrations ensure comprehension of terminology. A practice exam on disk allows self-assessment
