Susan King Strasinger, Marjorie A. Di Lorenzo : Phlebotomy Workbook for the Multiskilled Healthcare Professional (Studies in Computer Science and Artificial Intelligence) before purchasing it in order to gage whether or not it would be worth my time, and all praised Phlebotomy Workbook for the Multiskilled Healthcare Professional (Studies in Computer Science and Artificial Intelligence):

...standardized units contain a discussion of the body system and anatomy, terminology and related abbreviations, lab

tests, study questions, and assessment tests.
