**Springhouse : Physician Assistant's Clinical Companion (Springhouse Clinical Companion Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Physician Assistant's Clinical Companion (Springhouse Clinical Companion Series):

5 of 8 people found the following review helpful. A "must have" for students and practicing PA's!By A CustomerExcellent source for students, new grads, and PA's out in the field. Good DD's to help cover all the bases.2 of 3 people found the following review helpful. pa klbBy A Customervery good concise handbook, especially for the practicing PA

Physician assistants have speedy access to essential facts in important medical specialty areas. Provides tips for assessing patients from different cultural backgrounds, pediatric and geriatric alerts, patient counseling, and when it's imperative to consult with a colleague or refer to another practitioner. Contents include assessment findings, ECGs, laboratory tests, common X-rays, dermatologic disorders, disease management, emergency care, primary care procedures, infection control, drug hazards, financial and legal issues, health promotion, normal and crisis laboratory test values, selected references, and an index.
