Roderick S. Hooker PhD MBA, James F. Cawley MPH PA-C, Christine Everett PhD MPH PA-C : Physician Assistants: Policy and Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Physician Assistants: Policy and Practice:

Explore the past, present, and future of PA practice. The authors, noted educators, researchers, and practitioners, draw on extensive research to trace the evolution of the PAs roles and responsibilities in the delivery of health care services. Their presentation of historical content balanced with discussions of the ethical, educational, legislative, and economic

forces that are shaping that the profession makes this a contemporary classroom tool for PAs learning their field and their roles.
