Kenneth M. Hekman : Physician Compensation (with Diskette for Windows) before purchasing it in order to gage whether or not it would be worth my time, and all praised Physician Compensation (with Diskette for Windows):

Hekman Associates, Holland, MI. Aid for physicians in understanding the dynamics of fair and equitable compensation in today's healthcare environment. Discusses market-driven models, physician compensation in hospital

employment, support staff incentives, and physician compliance with compensation objectives. Includes case examples. Diskette included.
