William J. Demarco, Kenneth M. Hekman : Physician Driven Health Plans: Innovative Strategies for Restoring Physician-Community Integration before purchasing it in order to gage whether or not it would be worth my time, and all praised Physician Driven Health Plans: Innovative Strategies for Restoring Physician-Community Integration:

0 of 0 people found the following review helpful. Risk is here to stayBy bill demarcoProvider led health plans are suddenly popular because of the governments shift to value based health care reimbursement and benefits management .all physicians networks, groups and ACOs should be aware of this resource

Shows how communities can become healthier through a collaborative effort by physicians, hospitals, insurers, managers, and patients. Emphasizes ways physicians manage risks of caring for patients that benefit all concerned. For clinicians and administrators. DNLM: Delivery of Health Care--organization administration.
