Christine N. Micklitsch, Theresa A. Ryan-Mityling : Physician Performance Management: Tool for Survival and Success before purchasing it in order to gauge whether or not it would be worth my time, and all praised Physician Performance Management: Tool for Survival and Success:

Creating an effective physician performance appraisal system is one key to overall practice success. This book guides you through the process, covering such essential steps as the movement toward physician performance management, the physician leader's role, conducting the review, integrating compensation and addressing physicians' behavioral

change. 1996, 122 pp.
