**Lawrence F. Wolper : Physician Practice Management: Essential Operational and Financial Knowledge** before purchasing it in order to gage whether or not it would be worth my time, and all praised Physician Practice Management: Essential Operational and Financial Knowledge:

0 of 1 people found the following review helpful. ... this as a textbook for a college class and love the fact that this cash strapped college student was ...By Ga\_PeachBought this as a textbook for a college class and love the fact that this cash strapped college student was able to save over 60.00 by purchasing this book New through in comparison to what I would have paid for the exact same book Used in my Campus Bookstore.1 of 2 people found the following review helpful. Thorough information!By GabeThis book gives a great overview for new managers, and great review

for experienced managers. It's a great resource to have on the shelf.0 of 1 people found the following review helpful. Perfect condition and even arrived earlyBy MayThe cost of this book is a bit high, but the hardback comes in a large box with wrapping and Styrofoam peanuts. The box and book made it earlier than expected and was in perfect condition despite the rain.

Published in association with the MGMA and written for physician leaders and senior healthcare managers as well as those involved in smaller practices, *Physician Practice Management: Essential Operational and Financial Knowledge* provides a comprehensive overview of the breadth of knowledge required to effectively manage a medical group practice today. Distinguished experts cover a range of topics while taking into special consideration the need for a broader and more detailed knowledge base amongst physicians, practice managers and healthcare managers. Topics covered in this must-have resource include: physician leadership, financial management, health care information technology, regulatory issues, compliance programs, legal implications of business arrangements, medical malpractice, facility design, and capital financing for physician group practices.
