Charles D. Hale, Frank Arnold, Marvin T Travis : Planning and Evaluating Health Programs: A Primer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Planning and Evaluating Health Programs: A Primer:

This new text provides a concise, practical approach to planning, managing, and evaluating health programs at the operational level. Three models are presented: a health program planning model, an evaluation model, and a documentation model. Combined, they provide a comprehensive, integrated tool for health program planning and evaluation.
