Jimmy D. Bartlett OD DOS ScD, Siret D. Jaanus PhD LHD : Pocket Companion to Clinical Ocular Pharmacology, 4e before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Companion to Clinical Ocular Pharmacology, 4e:

A companion handbook to Clinical Ocular Pharmacology, the best-selling textbook on ocular therapeutics. Designed as a pocket-sized clinical manual, many optometrists have also successfully used this book as a study guide for their state's TMOD examination.* Information is brief, to the point, and easy to access. * Covers syndromes and conditions experienced in daily practice, such as glaucoma, conjunctivitis, and retinal disorders * Features the clinical information from Clinical Ocular Pharmacology, the "gold standard" in ocular pharmacology

About the Author Jimmy D Bartlett, OD, DOS, University of Alabama at Birmingham, School of Optometry and University of Alabama School of Medicine, Birmingham, AL; and Siret D Jaanus, PhD, State University of New York, State College of Optometry, New York; Southern California College of Optometry, Fullerton, CA
