Robert Elling : Pocket Reference for the EMT-B and First Responder (2nd Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Reference for the EMT-B and First Responder (2nd Edition):

0 of 0 people found the following review helpful. Four StarsBy big_bossGreat for keeping inside of one's medkit.0 of 0 people found the following review helpful. great for beginners and students.By a.m.Wish pages were laminated like

other field guides I have seen but this is best field guide I have ever seen. Great reference guide0 of 0 people found the following review helpful. Great study materialBy dfChock full of detailed information. Not sure if it's up to date.

For First Responders and Emergency Medical Technicians courses. Pocket Reference for the EMT-B and First Responder is written specifically for EMT-Bs and First Responders. A must-have for every EMT-B and First Responder, this handy, easy-to-carry pocket-size field reference complements all Brady First Responder and EMT-Basic textbooks and includes patient assessment flow charts and skills sequences.

From the Back CoverPocket Reference for the EMT-Basic and First Responder, 2nd Edition Bob Elling, MPA, NREMT-B A "must-have" resource for every EMT-B and First Responder! An essential resource, this handy pocket-sized field reference is written specifically for the EMT-Bs and First Responders. A skills performance check list covers topics that include Vital Signs, Common Medications, Abbreviations and Acronyms, Airway Management and Breathing Skills, Immobilization Skills, CPR, Anatomy Charts, and Important Phone Numbers. The new edition contains an updated Pharmacology section. About the Author Bob Elling, MPA, REMT P, is a Professor of Management for the American College of Prehospital Medicine, a faculty member for Hudson Valley Community College Institute of Prehospital Emergency Medicine, and a paramedic with the Town of Colonie EMS Department. Bob has served as a paramedic and Lieutenant for NYC*EMS, Associate Director of the New York State EMS Program, and Education Coordinator for "PULSE: Emergency Medical Update:"
