Patricia F. White : Pocket Reference of Diagnosis and Management for the Speech-Language Pathologist before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Reference of Diagnosis and Management for the Speech-Language Pathologist:

Organized in a logical outline format using numerous tables and charts, this reference is designed to be easily accessed by the busy speech-language pathologist. It also includes information on support groups, medical abbreviations,

normal lab values and pharmacologic data.
