**Donald Kushner D.P.M. : Podiatric Medicine and Surgery Part II National Board Review: Pearls of Wisdom, Second Edition (Pt. 2)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Podiatric Medicine and Surgery Part II National Board Review: Pearls of Wisdom, Second Edition (Pt. 2):

2 of 2 people found the following review helpful. Great for Jurisprudence! By xfracturex\$\$ for Jurisprudence and Biomechanics. This book is a little overkill for Part II. Just stick with Pocket.... :) 2 of 2 people found the following review helpful. Good time crunch review By CMZ Not the most accurate or up to date information but helped the week of the boards for a quick QA answer segment. I passed Part 2 3 the first time around and used this as a supplemental study aide only. 1 of 1 people found the following review helpful. Poor review guide By mech2954 Not helpful. Better

reviews/manuals out there.

Why waste time guessing at what you need to know for the podiatry boards? Maximize your exam preparation time with this quick-hit question and answer review. The unique question and single-answer format eliminates the guesswork associated with traditional multiple-choice QA reviews and reinforces only the correct answers you'll need to know on exam day. Emphasis is placed on distilling key facts and clinical pearls essential for exam success. Great for certification and re-certification, this high-yield review for the boards is the perfect compliment to larger texts for intense, streamlined review in the days and weeks before your exam.

About the Author Donald Kushner, D.P.M. is Professor and Chairman of the Department of Podiatric Medicine at Ohio College of Podiatric Medicine in Cleveland, Ohio.
