**Peggy Kane, Barbara S. Schlefman, Nancy Sinnott Vickers : Podiatric Office Management and Procedures** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Podiatric Office Management and Procedures:

An illustrated guide to office management and basic medical procedures for podiatrists. The book begins with front-office tasks such as making appointments and taking patient histories, then describes medical procedures such as bandaging, strapping, suture removal and radiology.
