**Anne Mandy, Kevin Lucas, Janet McInnes, Jodie Lucas : Podiatry: A Psychological Approach** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Podiatry: A Psychological Approach:

Podiatry: A Psychological Approach provides a problem and case-based approach to understanding psychological and social difficulties commonly experienced by clients and presented to practitioners. This book is designed to be an introduction to important applied psychology in clinical practice. The main chapters are organized as individual patient

case studies with relevant psychological theory attached. Attention is also given to social-psychological issues pertinent to both newly qualified and experienced podiatric practitioners.
