**Michelle Soble : Podiatry for the Reflexologist** before purchasing it in order to gage whether or not it would be worth my time, and all praised Podiatry for the Reflexologist:

0 of 0 people found the following review helpful. Professional Reflexologist? Get this one!By JLGreat book for a professional reflexologist to own and be able to refer to many times. It is not long.1 of 1 people found the following review helpful. Helpful for the professionalBy Patricia KenworthyI've been a professional Reflexologist for 30 years. This book has been very helpful for explaining various conditions to my clients. Especially the section on plantar faciitis, what to do and not do.1 of 1 people found the following review helpful. Podiatry for the Reflexologist by

By A Friend in Spirit  
I appreciate the undertaking of this book, but would like to have had more reference information about different medical problems encountered with feet so that I might more readily identify issues that need referral to a podiatrist.

Podiatry for the Reflexologist is a book that belongs on every reflexologist's book shelf. Reflexologists will enhance the quality of their practice by learning about common podiatric pathologies. The information taught in this book will change your approach to reflexology.

About the Author  
Dr. Michelle Soble is a podiatrist with an active Medical Reflexology practice. She regularly promotes the benefits of reflexology through seminars for medical professionals, special interest groups and television appearances.
