Ingrid Paul-Fuessl : Podiatry-Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Podiatry-Handbook:

0 of 0 people found the following review helpful. Three StarsBy CustomerCould be more instructive.

Everything concerning foot illnesses, treatment methods and step-by-step instructions for treatment. A practically oriented introduction to podiatry for the beginner and a handy reference book for use in daily foot care.
