**Donna M. Nickitas, Donna J. Middaugh, Nancy Aries : Policy And Politics For Nurses And Other Health Professionals** before purchasing it in order to gage whether or not it would be worth my time, and all praised Policy And Politics For Nurses And Other Health Professionals:

1 of 1 people found the following review helpful. Five StarsBy L HVery well written book for difficult concepts.Later edit: I rented this book for my previous class, but kept it over the time because it was so pertinent to the research of my following class. did it's part to email me about the upcoming deadlines to return the book-- but I missed them. However, I am not sorry to keep this book because the information has been such a help to my professional education.0 of 0 people found the following review helpful. a must know for advancing degreesBy hopeThis is a must if you are advancing your degree because of the impact that politics has on nursing. It is something that is not thought much about with any degree less than an associate of science.0 of 0 people found the following review helpful.

Great!By Pauline ParkerThis book got me through my course with an A!

Each new print copy includes Navigate 2 Advantage Access that unlocks a comprehensive and interactive eBook, student practice activities and assessments, a full suite of instructor resources, and learning analytics reporting tools. *Policy and Politics for Nurses and Other Health Professionals, Second Edition* focuses on the idea that all health care providers require a fundamental understanding of the health care system including but not limited to knowledge required to practice their discipline. The text discusses how health care professionals must also prepare themselves to engage in the economic, political and policy dimensions of health care. The Second Edition offers a nursing focus with an interdisciplinary approach intertwined to create an understanding of health care practice and policy. The text is enriched through the contributions from nurses and other health professionals including activists, politicians, and economists who comprehend the forces of healthcare in America how their impact on the everyday provider. The new edition features key updates on the current health care environment including the Affordable Care Act. Instructor Resources include: Test Bank Web Link Resources PowerPointtrade; Slides
