**Judith K. Leavitt, Mary W. Chaffee, Diana J. Mason : Policy and Politics in Nursing and Health Care, 5e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Policy and Politics in Nursing and Health Care, 5e:

The powerhouse author team of Diana J. Mason, Judith K. Leavitt, and Mary W. Chaffee has put together a textbook filled with insights from well-known nurses and policy makers. This new edition combines scholarly analysis and first-hand narratives from the field to ensure a well-rounded understanding of important issues. This resource cultivates the development of valuable skills including conflict management, lobbying, the use of media, and working with communities for change -- essential abilities for any nurse assuming a leadership role in today's changing health care environment. Solid breadth and depth of content covers both policy and politics. Contributors include many leading nurse experts in policy and politics. A diverse mix of styles, perspectives, and levels of content to appeal to many

nursing audiences. Policy Spotlights provide key information on specific policy issues such as complementary therapies, reimbursement, social security, childcare and Medicare issues and options. Updated Policy Spotlights focus on policy issues such as Stem Cell Research, Medical Marijuana, Genetics, and Intimate Partner Violence. Updated Vignettes detail personal experiences, opportunities, and challenges facing a nurse in this career path. New Taking Action sections highlight a policy issue or political strategy and provide nurses with examples of how they can take action. Evidence-Based Practice (research) and its impact on health care policy and politics is integrated where appropriate. New Web Resource boxes include recommended website addresses for students to obtain additional information.
