Davis F a : POP Display Respiratory Notes Bakers Dozen before purchasing it in order to gage whether or not it would be worth my time, and all praised POP Display Respiratory Notes Bakers Dozen:

2 of 2 people found the following review helpful. Great to have on Kindle for reviewBy SteveI bought this in spiralbound as well as to have on kindle on my smart phone. It is an invaluable reference for any Respiratory Therapist or RT student. I find that even when I dont have it in my scrubs pocket. I can quickly find the things I need on my smart phone version. Since i can bookmark areas I use alot it make it often faster than using the bound version. An

since I have Kindle on my Phone and Home and work PC's It is never out of reach. I also know the author quite well. He has included everything in here that you could ever need clarification or quick reference on. A must have for any RT
