William Porter : Porter's Pocket Guide To Emergency And Critical Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Porter's Pocket Guide To Emergency And Critical Care:

0 of 0 people found the following review helpful. Awesome resource for new or experienced ER nurse to have.
By Lisa
Awesome resource for new or experienced ER nurse to have. I gave it 3 stars because the spiral binding broke after after 2 weeks. I kept it in my scrub cargo leg pocket . It's a nice pocket guide , but wish they had a better way of binding it together.
0 of 0 people found the following review helpful. Excellent reference.
By Del Simon
Essential to my work. Very good pocket guide and reference.
0 of 0 people found the following review helpful. It's a great resource.
By Donna Ramusack
Just what I need for my job. It's a great resource.
