**From Wiley : Portfolio, Program, and Project Management in the Pharmaceutical and Biotechnology Industries** before purchasing it in order to gage whether or not it would be worth my time, and all praised Portfolio,

## Program, and Project Management in the Pharmaceutical and Biotechnology Industries:

This book describes the way that pharmaceutical projects and programs are currently managed, and offers views from many highly experienced practitioners from within the industry on future directions for drug program management. The book integrates portfolio, program, and project management processes as fundamental for effective and efficient drug product development. Contributing expert authors provide their view of how the projectization approach can be taken forward by the drug industry over the coming years.
