K. Jeffrey Miller : Practicing Chiropractic before purchasing it in order to gage whether or not it would be worth my time, and all praised Practicing Chiropractic:

The following text is a compilation of lessons, observations, opinions and ideas relating to the business and clinical aspects of chiropractic practice. Many of these thoughts are unique to the author, while others are the author's version of ideas that were gathered from formal education, management seminars, periodicals, books, interactions with other chiropractors and trial and error.--from the introduction
