Daniel Lichtstein, Daniel M. Lichtstein : Preparing For Medical Practice Made Ridiculously Simple (MedMaster) before purchasing it in order to gage whether or not it would be worth my time, and all praised Preparing For Medical Practice Made Ridiculously Simple (MedMaster):

...a brief, practical discussion of matters the physician needs to know in setting up a practice: Managed Care, Medicare, medicaid; solo vs group; office location; risk management malpractice; employees; and financial info.

About the Author Associate Professor of Medicine, Dept of Medicine, Univ of Miami School of Medicine
