**Himss : Preparing for Success in Healthcare Information and Management Systems: The CPHIMS Review Guide, Second Edition (HIMSS Book Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Preparing for Success in Healthcare Information and Management Systems: The CPHIMS Review Guide, Second Edition (HIMSS Book Series):

Whether you're taking the CPHIMS exam, or simply want the most comprehensive overview in healthcare information and management systems today, this updated publication has it all. But for those preparing for the CPHIMS exam, this text book is an ideal study partner. The content reflects the exam content outline covering healthcare and technology environments; systems analysis, design, selection, implementation, support, maintenance, testing, evaluation, privacy and security; and administration leadership and management. Candidates can challenge themselves with the sample multiple choice questions at the end of the book.
