Joanne C. Langan, Dotti C. James Ph.D. RN : Preparing Nurses for Disaster Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Preparing Nurses for Disaster Management:

0 of 0 people found the following review helpful. Four StarsBy Jenica Jemmer WilliamsOk0 of 0 people found the following review helpful. Four StarsBy Little LadyUsed during undergrad studies, decent book.3 of 3 people found the following review helpful. excellent bookBy Daniella LackeyThis book is easy to read and understand. Each chapter is short with valuable questions at the end. This book is well worth the money spent.

This book addresses issues in disaster preparedness specific to nurses in a host of practice sites. Through a compilation of research, nurses' personal experiences in disaster and trauma care, firsthand accounts from the authors and other experts in bioterrorism and disaster preparedness, this book introduces users to basic disaster nursing and works to

help prepare them for a wide spectrum of settings and situations that are relevant in today's world. It includes a pocket flip chart that serves as a quick guide to fast facts imperative to nurses in responding to disasters of all kinds. Nursing Students and Nursing Professionals.
