Sandra Stith : Prevention of Intimate Partner Violence before purchasing it in order to gage whether or not it would be worth my time, and all praised Prevention of Intimate Partner Violence:

Stop intimate partner violence before it startsIntimate partner violence touches everyone. With more than 1 million cases reported each year, this pervasive social problem has devastating effects on victims, families, and communities. Prevention of Intimate Partner Violence presents a comprehensive overview of the wide range of efforts and approaches that have been successful in preventing physical, emotional, and verbal abuse. A growing frustration with the limits of therapeutic intervention and with the costs imposed on society by intimate partner violence has created a

need for greater emphasis on state-of-the-art prevention programs that really work. Prevention of Intimate Partner Violence addresses the challenges of conducting and evaluating such programs, gaps that exist in programming and research, and future trends in those areas. A panel of domestic violence experts, researchers, and healthcare professionals examines how to change the ways individuals and the current health care system think about, and respond to, intimate partner violence; how to change the ways young people deal with anger in intimate relationships; and the ways society can support families to reduce the occurrence of violence in intimate relationships. Prevention of Intimate Partner Violence examines: identifying risk factors the cost-benefit of universal and targeted programs the effectiveness of parenting, stress management, and substance abuse programs community capacity theory community development social networks media and public awareness campaigns healthcare screening programs and much more Prevention of Intimate Partner Violence documents the effectiveness of prevention interventions, encouraging prevention specialists to use evidence-based interventions to enhance the effectiveness of their own work. This powerful book is an invaluable professional resource for social workers, family life educators, researchers, and practitioners.

"FORWARD-THINKING." -- Julia C. Babcock, PhD, Associate Professor, Department of Psychology, University of Houston
