**Robert E Hess : Prevention: Toward a Multidisciplinary Approach (Prevention in Human Services)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prevention: Toward a Multidisciplinary Approach (Prevention in Human Services):

This new book takes a detailed look at different disciplines as they relate to prevention. Authors examine how a multidisciplinary approach to prevention can refine and increase the effectiveness and comprehensiveness of the field. Given the complexity of the problems facing society today, many professionals are recognizing the strong need for collaborative efforts in the area of prevention. *Prevention: Toward a Multidisciplinary Approach* will help you gain a clearer perspective of this need and will provide invaluable insights into the initial steps required for successful collaboration.
