Daniel Grove : Respiratory Care Skills for Health Care Personnel, Student Text before purchasing it in order to gage whether or not it would be worth my time, and all praised Respiratory Care Skills for Health Care Personnel, Student Text:

Respiratory Care Skills for Health Care Personnel provides respiratory care skills training for health care students and health care personnel interested in mastering additional skills. The text covers the essential skills needed to administer oxygen, medicated aerosol, and bronchial hygiene therapies. It includes basic characteristics of respiratory diseases and conditions, assessment, and appropriate intervention. An optional CD-ROM provides interactive exercises for

additional reinforcement.
