Ulysses Magalang : Respiratory Disorders and Sleep, An Issue of Sleep Medicine Clinics, 1e (The Clinics: Internal Medicine) before purchasing it in order to gage whether or not it would be worth my time, and all praised

Respiratory Disorders and Sleep, An Issue of Sleep Medicine Clinics, 1e (The Clinics: Internal Medicine):

Respiratory disorders and sleep disorders often go hand-in-hand. This very important issue gives detailed information in the following articles: Respiratory physiology during sleep, Sleep in patients with obstructive lung diseases, Sleep in patients with restrictive lung diseases, Sleep in patients with respiratory muscle weakness, Obesity hypoventilation syndrome, Sleep in the Intensive care unit, Chronic noninvasive positive airway pressure ventilation, Management of insomnia in patients with chronic respiratory disorders, Sleep at high altitude, Central alveolar hypoventilation syndromes, Sleep in children with respiratory disorders, Sleep in pulmonary hypertension.
