**From Brand: F.A. Davis Company : Respiratory Home Care: The Essentials** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Respiratory Home Care: The Essentials:

0 of 0 people found the following review helpful. Five Stars By VVM Ordered for my son who is in college studying respiratory therapy. He had found this book most beneficial.

This introductory book provides students and clinicians with the fundamental information they need to understand what is required of home care respiratory care practitioners and how they perform their jobs. The text depicts the typical home visit, covers how pediatric care differs from adult care, and describes reimbursement by third-party payers.
