Philip Edward Gardner : Review course of fundamental subjects, chiropractic laws, state board questions and answers before purchasing it in order to gage whether or not it would be worth my time, and all praised Review course of fundamental subjects, chiropractic laws, state board questions and answers:

An excellent vintage 1931-1939 Chiropractic Course Test Review Guide, with a large QA section. An interesting look back at testing, questions, medical and physiological principles, and the 1930's good/best conclusion understanding of human physiology and the inter-relation of diseases, health, and chronic conditions. 346 pages.. 5.25" x 7.5"...
