Marc C. Hochberg, Alan J. Silman, Josef S. Smolen, Michael E. Weinblatt, Michael H. Weisman : **Rheumatology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rheumatology:

This latest edition continues the tradition of excellence of previous editions with comprehensive, authoritative coverage of rheumatic disease from basic scientific principles to practical points of clinical management. Internationally renowned authors deliver essential information on the definition of a disease, epidemiology, pathophysiology, clinical findings, differential diagnosis, and disease management. This online version includes the complete contents online, fully searchable, plus weekly content updates, links to PubMed and CrossRef, outcome

measurement tools, classification criteria, self assessment tools, and more.
