National Research Council, Division on Earth and Life Studies, Commission on Life Sciences, Committee on the Institutional Means for Assessment of Risks to Public Health : Risk Assessmnt In Federal Gov' before purchasing it in order to gage whether or not it would be worth my time, and all praised Risk Assessmnt In Federal Gov':

The regulation of potentially hazardous substances has become a controversial issue. This volume evaluates past efforts to develop and use risk assessment guidelines, reviews the experience of regulatory agencies with different administrative arrangements for risk assessment, and evaluates various proposals to modify procedures. The book's conclusions and recommendations can be applied across the entire field of environmental health.
