American Society for Healthcare Risk Management (ASHRM), Roberta Carroll : Risk Management Handbook for Health Care Organizations (J-B AHA Press) before purchasing it in order to gage whether or not it would be worth my time, and all praised Risk Management Handbook for Health Care Organizations (J-B AHA Press):

More than 40 expert risk managers, lawyers, and insurance professionals present the most current, authoritative techniques and practices of today's health care risk managers. This completely revised and updated edition looks beyond conventional hospital-based, clinical initiatives to encompass a variety of health care settings in its

comprehensive review of the field--from risk identification to implementing and monitoring a risk management program. A wealth of checklists and detailed, up-to-date explanations of regulatory and legal changes will help novice and veteran risk managers learn to manage risk effectively.

From the Inside Flap More than 40 expert risk managers, lawyers, and insurance professionals present the most current, authoritative techniques and practices of today's health care risk managers. This completely revised and updated edition looks beyond conventional hospital-based, clinical initiatives to encompass a variety of health care settings in its comprehensive review of the field--from risk identification to implementing and monitoring a risk management program. A wealth of checklists and detailed, up-to-date explanations of regulatory and legal changes will help novice and veteran risk managers learn to manage risk effectively.

From the Back Cover More than 40 expert risk managers, lawyers, and insurance professionals present the most current, authoritative techniques and practices of today's health care risk managers. This completely revised and updated edition looks beyond conventional hospital-based, clinical initiatives to encompass a variety of health care settings in its comprehensive review of the field--from risk identification to implementing and monitoring a risk management program. A wealth of checklists and detailed, up-to-date explanations of regulatory and legal changes will help novice and veteran risk managers learn to manage risk effectively.

About the Author AMERICAN SOCIETY FOR HEALTHCARE RISK MANAGEMENT (ASHRM), an organizational component of the American Hospital Association, is the international associate for more than 3,100 leading professionals involved in risk management in all types and sizes of health care organizations. ROBERTA CARROLL, RN, MBA, CPCU, is senior vice president, Aon Risk Services, in San Francisco, and is a frequent speaker for her expertise in the health care risk management areas of risk financing, claims administration, loss control, captive management, and strategic planning and reengineering. A past president of ASHRM, she has served on its board of directors for six years and is a member of the Risk and Insurance Management Society.
