Damon Wiseley : RRT Board Exam Series: Dominate The Airway Management Portion of the Respiratory Therapy Board Exam (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised RRT Board Exam Series: Dominate The Airway Management Portion of the Respiratory Therapy Board Exam (Volume 2):

1 of 1 people found the following review helpful. Purchased as an aid...By Al PineI have only perused this item. I had purchased this as aid for testing and gaining a better of understanding of the choices, meaning why an answer was more right over another.

Does the thought of pouring through years of respiratory school notes make you cringe? Do you feel like you forgot more than you learned in RT school? Are the popular respiratory therapy exam study guides giving you information overload? If you want to make the high cut on the TMC-RRT exam you need to study smarter not harder. Focus on the content that will give you the greatest benefit for your hard earned dollar. This study guide and review includes practice questions developed straight from the updated 2015 NBRC testing matrix. Full rationales for each practice question are given, as well as common exam traps to look out for. The goal of this RRT exam study guide is to help you make the cut. As you can probably imagine, failing to make the high cut on the NBRC RRT Board exams can be incredibly disappointing and very expensive. Those who miss the high cut are required to retake the TMC-RRT exam at a cost of \$150. Failing the clinical simulations will cost another \$200 as there is no discount for retaking the exam.
