**Carol J. Buck MS CPC CPC-H CCS-P, Carol Buck : Saunders 2002 ICD-9-CM, Volumes 1, 2, and 3 + HCPCS Level II** before purchasing it in order to gage whether or not it would be worth my time, and all praised Saunders 2002 ICD-9-CM, Volumes 1, 2, and 3 + HCPCS Level II:

With the combination of all three volumes of the ICD-9-CM, the HCPCS, and the Official Coding Guidelines, this comprehensive manual is a must-have resource at an affordable price! The 2002 edition features the ICD-9-CM and the HCFA Official Coding Guidelines in a single volume, with the 2002 HCPCS available to download and print from a new companion website accessed via the unique passcode in each book. The website also offers other value-added features, including links to key coding sites, coding tips, and more.
