Sue Hunt MA RN CMA (AAMA) : Saunders Fundamentals of Medical Assisting, Pocket Pal before purchasing it in order to gage whether or not it would be worth my time, and all praised Saunders Fundamentals of Medical Assisting, Pocket Pal:

0 of 0 people found the following review helpful. a great book to have for medical assistants.By Jennifer E. LindenIt is a great book to have for medical assisting. Can easily look up topics to refresh the mind on information procedures.

This handy reference tool is useful for medical assisting students going into clinical externship, as well as for new medical assistants on the job. Information is organized into the key national curriculum topics and an outline format provides rapid-access to information when it's needed most. It includes a 6-month planner and notes section for capturing critical information used on the job every day. Tips for clinical success are also included, as well as numerous charts and lists that summarize information into essential components.
