An amazing read that has the potential of screwing your head on straight - which will be reflected in your physical body.0 of 0 people found the following review helpful. tiny printBy Carol HatcherI purposely ordered a 6x9 edition so it would be easier to read than the 4x7. Imagine my shock to see that the text size was tiny and very difficult to read without a magnifying glass. This review does not reflect the content of the material but the size of the print. So disappointed.
