Needs an update so someone please help me get this to explain EHR, HIPAA and VT.7 of 7 people found the following review helpful. A must have for all Paraoptometrics!By D. MonsonEven if you're not taking any of the certification tests, this book is a must have. I covers EVERYTHING, in a really easy to understand format. It covers all the topics that are on the CPO, CPOA tests, (I haven't taken the CPOT yet) I highly reccomend this one.
