**Speechmark : Sequences: 4-step (Sequencing ColorCards)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sequences: 4-step (Sequencing ColorCards):

This title offers 48 cards of 4-step sequences of familiar activities. It contains 12 lively four-step sequences showing a range of familiar events both at home and out and about, including: putting a new toy together; washing the car; having breakfast; making cakes; going to the dentist; and, buying an ice cream. The photographs include people of different ages and ethnic groups.

"These good size sturdy cards, are versatile, easily portable and a good basic resource." Speech Language Therapy in Practice "These are a very useful resource with plenty of learning potential... an excellent resource for speech and language work with all children. The cards are of good quality and therefore the set is good value for money." Nursery Equipment "I would recommend this set of sequence cards as another valuable addition to the ColorCards collection." Update Magazine (I.A.S.L.T.) "The use of the little gems known as ColorCards is only as limited as the imagination" Pippa Wilson, SLTA About the Author Produced by Speechmark, ColorCards(R) are a hugely adaptable teaching tool

designed to help develop both language and social skills. Real objects, people, situations and activities are shown on the photographs to provide you with creative and highly visual resources.
