R. S. Coleman-Roush : Seven Expensive Medicare Mistakes You Can Avoid: a Private Report Updated for 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Expensive Medicare Mistakes You Can Avoid: a Private Report Updated for 2013:

If you are new to Medicare, you may be overwhelmed and confused. I wrote this report to help people avoid the most

common, expensive Medicare mistakes. This is an overview to help you ask questions and find information. No government agency has endorsed it.

About the Author Rebecca Coleman-Roush has been a licensed insurance agent for over seven years. She has worked extensively with people getting ready to go on Medicare; helping them understand their choices.
